19.9 Hindsgavl

OBS OBS !

The map scale has been changed compared to what was written in the bulletin I.

Map turn in the classes: H14, H16, H20, H21, H40, H50, H60, D16, D20, D21, D40, D50.

You are not allowed to ride on your bike on the tracks around the area of Naturcenter Hindsgavl (around the event center).

There might (depending on the weather) be a lot of visitors at Naturcenter Hindsgavl and in the forest. Please notice this and take care. Shortly before finishing the courses you will have to pass a road. For security reasons you will meet speed reducing obstructions. From the finish follow public road to the event center.

Competitors must obey traffic rules!

Please use the specific bike parking at the parking lot at Naturcenter Hindsgavl, follow the signs.

In Denmark MTBO is only allowed on tracks and roads. You are not allowed to leave tracks or roads not shown on the map.

On the map a horse riding track is marked with a red zig zag line. You are not allowed to ride on this track. Gates to a fenced area are marked with purple. Fallen trees and other obstructions are marked with a purple line across the track.

Naturcenter Hindsgavl is an animal park with a lot of deers, please take care.

20.9 Sollerup Skov and Svanninge Syd	<p>Between Sollerup og Svanninge Syd the competitors starting from start 1 will have to ride 1,1 km on Odensevej which might be very busy with traffic. This section is not on the map but it is marked with red and white.</p> <p>Map turn in the all classes except D/H 12.</p> <p>Gates are marked with red on the map. Notice, you are allowed to ride where the map is 100% yellow – but not where it is only 50% yellow.</p> <p>Map sample can be seen at the event center. There are about 300 meters from the finish to the time keeping at the event center.</p> <p>Competitors must obey traffic rules!</p> <p>In Denmark MTBO is only allowed on tracks and roads. You are not allowed to leave tracks or roads not shown on the map. An exception in this competition is mentioned above: You are allowed to ride in areas marked on the map with 100% yellow.</p>
